

GLENSEE SNOWSPORTS TOURERS + WALKERS INFORMATION AND GUIDANCE

Glenshee welcomes responsible snowsport tourers and walkers. For everyone's safety and enjoyment please ensure that you journey through the ski resort using the marked routes and follow all safety advice.

Please be aware that during winter season our slopes and carparks can be very busy and are limited by capacity. We monitor car parking and skier numbers daily for the safety of our customers and visitors. To help promote safety please journey through the ski centre using the marked routes. Ski touring passes which provide 4 uplifts or single Cairnwell chairlift tickets for both walkers and tourers are available from the main ticket office. Your carparking is included in the purchase of these tickets.

FOR YOUR SAFETY

Follow either the marked walkers (brown route), or designated touring route (orange markers), do not ascend up pistes.

Pay attention to warning signs and stay out of roped areas.

Be aware of downhill skiers / snowboarders who have right of way.

Avoid travelling across or up pistes, or lift tracks on ski or foot.

Stay clear of grooming machines, they operate 24 hours a day and can have long cables attached.

Dogs are not allowed on pistes during winter operations.

When transiting through a ski centre, owners are asked to use the identified winter walker routes and to keep their dogs in close control and on a lead.

Please dispose of plastic dog waste bags responsibly

Weather report and avalanche hazard report.
